

## **Grav24, First Circular**

We are pleased to announce that the conference Grav24—"Celebrating the 65th birthday of Oscar Reula, Osvaldo Moreschi and Carlos Kozameh"—will be held in the city of Córdoba (Argentina) from April 8th through April 12th, 2024.

This is the ninth in a series ("GravYY") of conferences organized by the General Relativity and Gravitation Group at FAMAF (Universidad Nacional de Córdoba) since the year 2006.

The conference is intended to bring together specialists working on gravitation and closely related topics, including classical and quantum gravity, mathematical relativity, numerical relativity, gravity in arbitrary dimensions, astrophysics and astro-particle physics.

Graduate students and advanced undergraduate students are encouraged to apply, there is a possibility that some funds will be available to pay partial living expenses for students.

A partial list of confirmed invited speakers includes:

Bernardo Araneda, Max-Planck-Institut für Gravitationsphysik, Potsdam, Germany.

Miguel Bezares, The University of Nottingham, UK.

Saulo Carneiro, Universidade Federal da Bahia, Brasil.

Jörg Frauendiener, University of Otago, New Zealand.

Helmut Friedrich, Max-Planck-Institut für Gravitationsphysik, Potsdam, Germany.

Diego García Lambas, Instituto de Astronomía Teórica y Experimental, CONICET, Argentina.

Ana Laura García Perciante, Universidad Autónoma Metropolitana, México

Elizabeth Gonzalez, Universitat Autònoma de Barcelona

Kenta Kiuchi, Max-Planck-Institut für Gravitationsphysik, Potsdam, Germany.

José Luis Jaramillo, Institut de Mathématiques de Bourgogne, France.

Susana Landau, Universidad de Buenos Aires, Argentina.

Philippe LeFloch, Sorbonne Université, Paris.

Luis Lehner, Perimeter Institute for Theoretical Physics, Canada.

Thomas Mädler, Instituto de Estudios Astrofísicos (UDP), Chile.

Alejandro Pérez, Centre de Physique Théorique, Aix-Marseille University, France.

Jorge Pullin, Louisiana State University, USA.

Martín Reiris, Centro de Matemática, Universidad de la República, Uruguay.

Masaru Shibata, Max-Planck-Institut für Gravitationsphysik, Potsdam, Germany.  
Thomas Sotiriou, University of Nottingham, UK.  
Miguel Zilhão, Universidade de Aveiro, Portugal.

The conference will take place at the Facultad de Matemática, Astronomía, Física y Computación, FAMAF, Universidad Nacional de Córdoba.

For information regarding Hotels, and updates on the Grav24 meeting please check the conference's web page: <http://www.famaf.unc.edu.ar/~ortiz/grav24/> that will be updated regularly

Applications should be filed through the webform in the above page before March 1st, 2024. The deadline for abstract submissions is March 15th, 2024. There will be a registration fee of U\$S100 (or the equivalent amount in Argentinian pesos), that can be paid in cash upon arrival to the conference.
